## NOTE RE OUR USE OF THE WORDING “THE EVENT” IN THIS BROCHURE:

Ryder Cup Europe LLP are the owners of all copyrights and trade marks relating to the actual name of the golf event that is taking place in Adare Manor in September 2027. We do not refer to that actual event by name in deference to their ownership rights .

Ireland is famous as a land of mysticism and great beauty, for its history, music, folklore..... and for its fantastic golf courses! So much so, that the 100th Anniversary of The Event is due to be celebrated here at world renowned Adare Manor in September 2027.

If you are a golf fan and would like to come to Ireland for this unique experience you can join us on our Seven Day Golfing Tour of Ireland, where we will arrange transportation for you to attend one day in Adare Manor, a round of golf at two of Ireland's premier golf courses, including the K Club where The Event last took place in Ireland back in 2006, and you get to experience some of the best hospitality, scenery and hotels available in the country.

You can find full details of the itinerary for the tour on the following pages to see what we are planning to help celebrate the return of The Event to Ireland for just the second time in its 100 year history.

The cost of the tour includes transportation to enjoy one day at The Event in Adare Manor, all your travel around Ireland, your 5\* hotel accommodation including full Irish breakfast, rounds of golf at two of Ireland's premier courses and entrance fees to all of the attractions listed in the brochure. \*

We look forward to welcoming you to Ireland for this landmark event!

\* Please note that the quoted prices do not include your flights to Ireland. However, we can assist with arranging these for you if you wish, and will invoice you separately when the flights are confirmed. In addition, due to the popularity of The Event, it is expected that prices of hotels and other components of the tour will rise significantly between now and the time of the event. Any updates in pricing etc. will be reflected in updates to the brochure on the website. However, once your deposit is paid, the cost of your tour will remain fixed at the amount that applied at the time the deposit was made. As there are only a limited number of places on this very special tour, we would recommend that you confirm your places as soon as possible to avoid disappointment.

### Monday Sept 13th - Depart The USA

Your adventure begins as you take to the air on the start of your journey in Ireland..

### Tuesday Sept 14th-Day 1-Tour of Dublin-Guinness-Teeling Whiskey

Welcome to Ireland! We will meet up with you in the Arrivals area of Dublin Airport and take you on a short tour of Dublin, Ireland's capital city, including the Phoenix Park, the largest walled city park in Europe, before arriving at our first visit of the tour, the Guinness Storehouse, officially the most visited attraction in the Republic of Ireland. And you will find out why when you see the panoramic view of the city from the Gravity Bar, as you learn how to pull a proper pint of 'the Black Stuff'. And if that wasn't enough exposure to Ireland's favorite beverages we will then move on to Teeling Whiskey where you will find out how they magically transform grain into amber heaven - and sample the finished result! We will then leave Dublin and head down to Straffan in County Kildare and our home for the next two nights, the historic [K Club Spa and Country Club](#), a 5-Star Hotel set on a 550 acre estate and, more importantly, the location for The Event the only time it has previously taken place in Ireland. After check-in to the hotel you are invited for a welcome drink with your guides for the tour, who will talk you through the next few days and give some extra suggestions of things to do during your stay. You will have the remainder of the evening free to chill out and enjoy the extensive facilities at the hotel.

### Wednesday Sept 15th - Day 2 - Dublin - K Club - First Round Of Golf

The K Club has not one, but two Arnold Palmer designed courses, and today you will get to experience a round of golf on the Palmer South course and, for your convenience, we have arranged clubs and buggies for you. For those who are not partaking in the golf, and for the golfers following their game, there are a wide range of experiences for you to explore in this world-renowned hotel, ranging from the many country walks around the lakes and rivers on the extensive grounds of the hotel, or perhaps pamper yourself at the K Spa or maybe even have a go at Archery or Falconry, or perhaps fishing or horse-riding or even have a round of tennis or test yourself on the K Golf World Simulator. But leave time to freshen up, as this evening we have arranged dinner for you in the hotel after which you have the remainder of the evening free to relax and enjoy the ambiance of this unique location.

7 Day Golfing Tour of Ireland

## Thursday Sept 16th-Day 3-Rock of Cashel-Midleton Distillery-Fota Island

We take our leave of Kildare and travel down to County Cork, in the south of Ireland. Only the way we will pay a visit to the iconic Rock of Cashel in Tipperary, with buildings dating back to that back in the 5th century, once the throne of the High Kings of Munster and also including a 15th-century castle, a Romanesque chapel, and a Gothic cathedral, all perched on top of a rocky hill in the centre of the Tipperary plains. From there we will travel to Midleton Distillery in Cork, home of Jameson Irish Whiskey, and the Jameson Experience where you can see how one of the most recognized whiskeys in the world is produced. We will then take a short trip to our home for the next four nights, the acclaimed [Fota Island Resort](#), a 5 Star hotel and spa, located on its own island, where you have the evening free to explore the resorts facilities and perhaps try another Jameson.

## Friday Sept 17th - Day 4 - 2nd Round Of Golf or Cobh & Blarney Castle.

Today we will have our [second round of golf](#), in the superb settings of Fota Island itself, which has hosted the Irish Open on three occasions, so you don't have far to travel - or to the 19th hole in the hotel bar. And once again we have arranged clubs and buggies for you. For those not availing of the golf, we will arrange for a tour to the nearby quaint fishing town of Cobh where we will visit the Heritage Centre and Cathedral and then on Blarney Castle where you may get to kiss the famous Blarney Stone, that is said to give you the gift of eloquence and explore its grounds and the famous Blarney Woolen Mills Irish clothing store. We will then return to our hotel, where we have arranged dinner for you. Finally, you have the opportunity to relax, or again catch up on the day's golf.

## Saturday Sept 18th - Day 5 - Transport To The Event in Adare Manor

Today, for all the golfers wishing to attend The Event in person, we have arranged transport for a one-day attendance at Adare Manor. There you will can enjoy the day experiencing golf played by some of the very best golfers in the USA as they take on their equals from Europe in what promises to be a titanic struggle. After the golf we will return you to your hotel where you can catch up on the days golfing highlights, helped down, perhaps, by a drop or two of an Irish beverage!

## Sunday Sept 19th-Day 6-Rest Day-Watch The Event Final Day Coverage

Today you will have an opportunity to sleep late, and rest up, where you will have a free day to enjoy the superb facilities of the hotel or its spa, fitness room or golf academy or take in coverage of the final days play of the 2027 Event as it happens live on big-screen TV - accompanied, no doubt, by another couple of pints!

## Monday Sept 20th- Day 7 - Glendalough - Merry Ploughboy Irish Night

Today we leave Cork and head back to Dublin. Along the way we will stop over at Glendalough in the Wicklow Mountains, a serene location in a valley between two lakes which not only has spectacular scenery but also includes an ancient monastic settlement, including a round tower, that was originally set up over 1,800 years ago. We then return to Dublin, where we check-in to your hotel for your final night in Dublin, the [Mespil Hotel](#) located along the banks of the Royal Canal, where you will have a chance to freshen up for the tour finale, a spectacular display of Irish music and dancing in the Merry Ploughboy pub located in the shadows of the Dublin mountains accompanied by a fabulous three course meal. Following the show we will return to your hotel.

## Tuesday 21st - Day 8 - The Sad Bit - The Return To The USA

All good things must come to an end, and we now come to the saddest bit of the vacation, the return home. As all US Immigration processing actually takes place in Dublin Airport before you fly home, we need to ensure that you are to the airport in good time to get through airport security, US immigration and make your flights. As you will have been pre-processed in Dublin, your arrival in the USA will be similar to arriving on an internal domestic US flight.

### COSTS OF TOUR

Cost of Tour Per Person in Double or Twin Room Accommodation (not including flights to Ireland) *	Euro € 6,450 (20% Deposit Due At Time Of Booking €1290)
Cost of Tour Per Person in Single Room Accommodation ** (not including flights to Ireland) *	Euro € 7,950 ** (20% Deposit Due At Time Of Booking €1,590)

\* Flight costs fluctuate frequently, and can be affected by a range of factors such as when the booking is made and availability of unsold remaining seats on a specific flight at a specific time. And, of course, the expectation is that seats will be very much in demand for this particular week. Many of our guests have accumulated air miles or have preferred status with a specific airline, and prefer to make their own flight arrangements, upgrade their seating or shop around for the best airline prices. Therefore the main prices quoted above exclude the flight costs, although we can arrange the flights on your behalf, should you wish and will invoice you for the flights separately when the bookings are made. To ensure that you don't miss out on any of your first days activities, we recommend that you arrange a flight that has an early morning arrival time in Dublin Airport on the Tuesday morning (ideally within an hour or so either side of 7.00am Irish time). Because Ireland is five hours ahead of Eastern, this will normally necessitate flying out of the USA on the Monday afternoon. Should you wish to come over on a date before the tour commences we can assist you in finding suitable accommodation for any additional overnight(s) if required. Please also note that The Event will not be taking place until September 2027, and most airlines will not open bookings or release prices for their flights until around eleven to twelve months before the departure dates.

\*\* Because the supplement costs on single rooms in Ireland, this can result in them being almost the same price as twin rooms (where the costs are shared between two guests). So if you know another single coming on the trip and don't mind sharing a twin room together, then substantial savings can be made by both of you.

\*\*\* We also offer a Payment Plan option that allows you to spread the cost of the remaining balance due, after payment of the deposit, over equal quarterly payments. (Note: we simply divide the balance due by the number of payments, and there are no additional interest or other charges applied).

Because we are an Irish company, all payment amounts are quoted in Euro. The amount payable in US Dollars may differ depending on the Euro/Dollar exchange rate at the time payments are made.

As there can be considerable costs incurred in bringing your own clubs over from the USA we have arranged for clubs and buggies to be included at both the golf venues. Please indicate any club preferences you might have e.g. left/right-handed, brand, size etc. But please note that choices will be subject to availability and with the best will in the world we cannot guarantee that your requirements can be fully met in all cases.

A 20% non-refundable deposit is payable at the time of booking to reserve your place on the tour. The balance will be due four months prior to the travel date, and will be non-refundable once paid.

## TERMS & CONDITIONS

- At Ireland US Experience we like to keep things simple, so we don't have reams of tightly packed legal talk that you probably won't ever read or actually understand. What we want to do, when you travel with us, is to ensure that we give you the best possible vacation that we possibly can, and to make sure that you have such an enjoyable and safe time while you are in our care that you will remember and talk about it for years to come. However, there are a few things that we need to highlight to you, so that you are aware of them prior to travelling with us :
- We are an Irish company, based in Ireland, so any bills or invoices we send you will be denominated in Euro. The actual amount in dollars may be higher or lower depending on the actual exchange rate on the dates the payments are made. We currently invoice through Paypal as we find that our visitors are more comfortable making their payments through a payment system that they are familiar with. Please note that you do not need to have a Paypal account to use this facility, and can instead use your debit or credit card as normal via the PayPal Secure Payments Portal, In the same way you would when using on online store. Paypal will automatically handle the Euro/Dollar conversion for you at whatever rate applies at the time that the payment is made.
- Again, because we are an Irish company, based in Ireland, all dealings with us will be deemed to come under the jurisdiction of Irish law and the Irish courts system, or where they might take precedence, the laws of the UK or the European Union.
- Ireland US Experience Ltd undertake to supply the tour services agreed with our clients, which will usually have been customized to their particular requirements. Should any particular service or accommodation become unavailable at the time of the vacation, due to circumstances beyond our control, we agree to replace the missing item with a similar event/hotel of a similar standard. In return for these services, the client confirms that they will pay the amount agreed.
- The Vacation Package will be priced based on an agreed number of passengers on agreed dates. If the number of passengers or dates changes, then this may result in an adjustment to the price per person. Please note, in particular, that single occupancy rooms will normally be more expensive per person than joint occupancy. In addition, hotel accommodation costs tend to increase, and availability can be limited, during the high season (June to August). Hotel prices also tend to be more expensive when bookings are made close to the arrival date, or on different days of the week. Prices quoted by us could therefore require amendment in situations where you request us to change your original travel or accommodation arrangements.
- An initial non-refundable deposit of 20% of the total amount due per person will normally be payable on confirmation of the booking. The remaining balance will be payable four months prior to the commencement of the vacation. We will invoice you, at the appropriate times, for the Euro amounts based on the overall price agreed at the time the booking was made. Final payments, once paid, become non-refundable. We would recommend that when travelling long distances, such as to Ireland, that you take out travel insurance that is appropriate to your circumstances. The websites for many insurance companies will allow you to purchase a range of travel insurance policies online, or If you wished to have a more comprehensive cover, you could consult your insurance advisor.
- All entrance costs to the visitor attractions listed in the itinerary that we agree with our clients are included in the price.
- As a tour operator, we look after you from the moment you arrive at the airport until the moment we return you to the airport at the end of your vacation. We do not usually arrange the flights themselves, but can recommend local US or Irish based travel agents who can supply these services at highly competitive rates. All prices quoted by us therefore exclude flight costs unless otherwise stated. Please be aware that international flight costs fluctuate, and can either increase or decrease substantially the closer you get to your departure date, depending on how full a particular flight might be. In general, flight costs will be higher and availability lower in peak season (June to August), so you will need to take this into account when budgeting the overall cost of the vacation.
- If travellers have any special requirements (e.g. smoking rooms, handicap accessible rooms, bedding type, air conditioning, special dietary requirements) please advise us at time of booking. Once hotels have confirmed, guests may incur penalties from them for any changes. Any special requests are subject to their availability at individual hotels and requests cannot be guaranteed.
- In the unlikely event of a medical emergency or issue, our staff will arrange for local medical assistance and transfer to a local hospital, should that be required. While public healthcare is free in Ireland for emergency admittances, if you wished to have private healthcare facilities ( e.g. your own private room) then you will need to ensure that your US health policy covers you for costs incurred outside the USA, or have a suitable travel insurance policy in place to cover any additional costs.
- It is the responsibility of all clients to ensure that they have valid passports before they travel. We recommend that you apply for your passport as early as possible if you do not currently have one, or if it will be out of date prior to your departure/return in order to avoid any last-minute issues. Please ensure, when booking your flights, that you notify the travel agent of the exact names of all travellers as listed on their passports, as the airlines may not allow you to board if the passport name and boarding pass name are different.
- Gratuities to drivers/guides are not included in our prices.
- Any additional Terms and Conditions that might apply to specific vacation packages will be notified to you when agreeing the itinerary.
- See our website, <http://www.irelandusexperience.com/about-us.html> for up-to-date details on our Privacy Policy and EU GDPR compliance details.
